**SONY**

Thank you for selecting Vegas Pro **10!**

Please type your serial number in the space below, including all hyphens. Your serial number was provided in the packaging if you purchased a boxed product or in an e-mail confirmation if you downloaded the product from the Web. Please be sure to type the serial number exactly as it is written.

**1R8-632F-3LRV-85Z4** \* Press "Generate" 2 times and select a new serial key. Don't use the same as me as this was used by ME.

Your Serial Number will look like:  
1R8-XXXX-XXXX-XXXX

I took the picture from my old Sony Vegas 9.0 thread. I had to edit the image since I've already installed Sony Vegas Pro 10 it won't allow me to get to this registration menu again. Tried to edit it as good as I could ^^.

Instructions: Copy the serial number and paste it into the textbox. but now, **REPLACE 1HF WITH 1R8. That is very important. Now, Press "Next" and select register from another computer. FILL In some fake information and press "Next". Now we're at the authentication code part.**
